

## Quality Policy

Colorcorp Pty Ltd aims to achieve sustained and profitable growth by providing products & services which consistently satisfy the needs and expectations of our customers.

Colorcorp Pty Ltd has developed a Quality Management System in accordance with the requirements of ISO 9001: 2015 specific to providing digital print and display with new design and prototype capabilities in Point of Sale (POS) and display solutions.

The Management of Colorcorp Pty Ltd are committed to:

- Enhancing customer satisfaction by ensuring that the customer's needs and expectations are determined and fulfilled and that all relevant statutory and regulatory requirements are met.
- Ensuring that adequate resources of people, equipment, infrastructure & systems are available to meet the challenges.
- By setting Quality Objectives the Company strives to continually improve the service it provides to its customers.
- Developing and continually improving the effectiveness of the Quality Management System through a formal documented audit process.

This Quality Policy along with Quality Objectives which are set at different function levels of the organisation are regularly reviewed by the Management team as part of the Management Review Process.

Signed:

A handwritten signature in black ink, appearing to read "AJ", with a small flourish at the end.
