

## WHS Policy

Colorcorp Pty Ltd is a provider of digital print and display, with new design and prototype capabilities in Point of Sale (POS) and display solutions.

Years of industry experience and knowledge ensures we can manage our production facility and site installations safely with confidence.

It is the aim of Colorcorp Pty Ltd to establish and maintain safe operating procedures for machinery and equipment, and to maximise and improve workplace health and safety for our workers and the general public.

The health and safety of those who work either directly or indirectly for Colorcorp Pty Ltd is of the utmost importance to Senior Management and it is our ultimate goal to continually improve WHS performance within the business.

In order to achieve this; the following objectives have been established:

- Communicating this policy to all existing workers and to new workers when they commence work with the company
- Complying with all WHS legislation and other requirements which are relevant to Colorcorp's activities
- Making our commitment to Health and Safety visible to all interested parties
- Setting measurable objectives and targets which will be monitored to ensure continual improvement
- Maintaining a WHS Management System which meets the requirements of ISO 45001:2018

This policy together with the measurable objectives and targets will be reviewed on an annual basis during the IMS Management Review to ensure that it remains relevant and suitable to the operations of Colorcorp Pty Ltd.
